## PreCase Document (Interest File or AOR) Status

PreCase Document Status ID	Name	Description
1	Open	The AOR has been started by an affiliate.
2	Pending	The affiliate has submitted the AOR to the RA. For Lautenberg AORs, a notarized copy must be sent in order for processing to continue. At this point no changes can be made to the AOR except for address, and that would require the RA to place the AOR in Corrections Needed status.
3	Received	The notarized copy of the Lautenberg AOR was received by the RA.
4	Submitted to RSC	RA submitted the AOR to RSC
5	Linked	The AOR was linked to a case.
6	Closed	The AOR was closed. This can be done by the RA or by the RA for RPC/RSC.
7	Accepted by RA	The RA has vetted and accepted the AOR; it is ready for submission to RPC/RSC.
8	Corrections Needed	RA sent AOR back to affiliate to make corrections.
9	2009 Returned	Returned by RPC/RAVU per PRM instructions.
10	Transferred Out	AOR was transferred out to another RA.
11	Corrections Needed - Amended	An affiliate needs to amend an AOR and so has put it in this status to edit it.

PreCase Document Status ID	Name	Description
12	Pending - Amended	The affiliate has resubmitted the amended AOR to the RA. For Lautenberg AORs, a notarized copy must be sent in order for processing to continue. At this point no changes can be made to the AOR except for address, and that would require the RA to place the AOR in Amended Corrections Needed status.
13	Accepted by RA - Amended	The RA has vetted and accepted the amended AOR; it is ready for submission to RPC/RSC.
14	Received - Amended	The notarized copy of the amended Lautenberg AOR was received by the RA.
15	Submitted to RSC - Amended	RA resubmitted the amended AOR to RSC
16	Corrections Needed - Rejected	An affiliate needs to change an AOR due to an RPC/RSC rejection and so has put it in this status to edit it.
17	Pending - Rejected	The affiliate has resubmitted the rejected AOR to the RA. For Lautenberg AORs, a notarized copy must be sent in order for processing to continue. At this point no changes can be made to the AOR except for address, and that would require the RA to place the AOR in Rejected Corrections Needed status.
18	Accepted by RA - Rejected	The RA has vetted and accepted the rejected AOR; it is ready for submission to RPC/RSC.
19	Received - Rejected	The notarized copy of the amended Lautenberg AOR was received by the RA.
20	Submitted to RSC - Rejected	RA resubmitted the rejected AOR to RSC
21	Submitted to RPC	RA submitted the AOR to RPC
22	Submitted to RPC - Amended	RA resubmitted the amended AOR to RPC
23	Submitted to RPC - Rejected	RA resubmitted the rejected AOR to RPC
