

IRIS Release Notes

5.3.5.4 – 12/25/2017

Post-Arrival		
Description	Type	Ticket
<p>RP Report History</p> <p>The name under 'Changed By' field is appearing twice. The name appears in text and then again in hyperlink. The name should appear in text except when the status of the RP Report is in 'Corrections Needed'.</p> <p>Note: Clicking on the hyperlink name sends an email to the affiliate with comments when the case is in 'Corrections Needed' status.</p>	Bug	175291
<p>RP Timeliness & Corrections Needed Report</p> <p>Currently, the 'Total' field on both the reports count Refugee and Non-Refugee cases. For RP arrivals, 'Total' field should only count up and consider Refugee cases.</p>	Bug	175289
