

IRIS Release Notes

5.5.3.4 – 02/13/2019

Pre-Case		
Description	Type	Ticket
P3 Filing Deadline notification Fixed issue where P3 AORs were displaying in the P3 Filing Deadline notification that should not have been.	Bug	209023

Pre-Arrival		
Description	Type	Ticket
Member edit change Allow edit of a member whose Alien # is also in another case as long as the other case is closed.	Enhancement	209097
Display "Arrival Age" on the Member's page The ability to display "Arrival Age" on the Pre-Arrival -> Members page. 1. "Arrival Age" must be added after "Gender" column 2. "Arrival Age" must calculate x years, x months, x days for each individual	Enhancement	209472
Manage Travel Added ability to select a POE date range and the ability to export the data that is displayed on the screen.	Enhancement	210027
Reconciliation Report Added RPC total arrivals to the bottom of each Reconciliation Report.	Enhancement	210101

Post-Arrival		
Description	Type	Ticket
<p>Add a validation to "Consultation Date" field on the QC form</p> <p>To add a business logic to "Consultation Date" in order to prevent affiliates from submitting incorrect QC reports.</p> <p>1. Consultation Date should be between the associated quarters.</p> <p>Example: For Quarter 2nd 2019, the consultation date should be between 01/01/2019 and 03/31/2019.</p>	Bug	209476
<p>Compatibility issue between old pre-arrival suitability and the new 90th-day report</p> <p>The new 90th-day report does not map correctly to Q5, and Q6 from the old pre-arrival suitability report if the sleeping arrangement did not change for the minor on the new 90th-day report (Q16).</p>	Bug	209480

Reports		
Description	Type	Ticket
<p>Custom Report Data Source IRIS_CASETRANSFEROUT</p> <p>The data source was updated to include all cases transferred out regardless of the case status. Prior to the change only cases that were closed were included. Generally cases transferred to another RA are closed, however, if there is an exception the case would be absent from the report. Now all transferred cases will be included.</p>	Enhancement	210089

Administration		
Description	Type	Ticket
<p>Form Template Field Code Bug</p> <p>Form templates with field codes cause a bug when downloaded from MG case form tab</p>	Bug	209390
<p>Form Template Field Code <MG_Case_Size></p> <p>New field code to display the size of a Matching Grant case.</p>	Enhancement	209390
