

IRIS Release Notes

5.7.2.2c – Released 1/6/2020

Matching Grant		
Description	Type	Ticket
MG Data File Export Simplified HealthBenefits field for easier reporting and matching with the IRIS MG PPR. Consistent with the MG Guidelines and IRIS MG PPR, the export file Field now combines the logic of health benefits available = Yes and Benefits Start date within six months of job start date.	Enhancement	231202
